ge always for the better?

Timeline

1820's

Florence Nightingale was born.

1850's

The Crimean war starts and Florence goes to Scutari.

1910's

Florence Nightingale died.

1950's

In the 1950s. Plastic toys became very popular.

1940's

Many played games that we still recognise today such as tug-of-war, jump rope and board games. Children were punished at school with a cane.

1980's

Games like 'stuck in the mud' and 'Mr crocodile' were played in the playground and the street. The cane was banned in most schools.

1990's

Teletubbies toys proved even more popular and were the most sought-after toy in 1997.

2000's

Many children would play outside on mountain bikes and scooters and play traditional ball games.

2010's

Tablets became very popular in 2010 and as the decade progressed gaming became more mobile.
