Sticky Knowledge

The United Kingdom is made up of four countries: England, Northern Ireland, Scotland and Wales.

The capital cities of England, Northern Ireland, Scotland and Wales are London, Belfast, Edinburgh, and Cardiff

A city is a very large, busy area with lots of shops, tall buildings, restaurants and people. A town is a larger area with shops, schools and houses.

A village is a small countryside area with a farm, church, small shops and a few houses.

Places are made up of human and physical features. Human features are made by people or machines and physical features occur naturally.

	Important Facts
Stonehenge	A prehistoric stone monument in the south of England.
Loch Ness	A lake in Scotland that some people believe is home to the Loch Ness Monster!
Giant's Causeway	A rock formation in Northern Ireland caused by a volcano eruption.
Snowdonia	A national park in Wales that is surrounded by mountains.
