- Ribbon
- Tissue paper
- Wool and scraps of fabric in the colours mentioned on the rainbow template
- White or blue A4 card

1 Using glue, start by covering the top segment of the rainbow in red ribbon, fabric, wool or tissue paper.

2 Continue until each strip on the rainbow has been covered in the correct colour, then leave to dry.

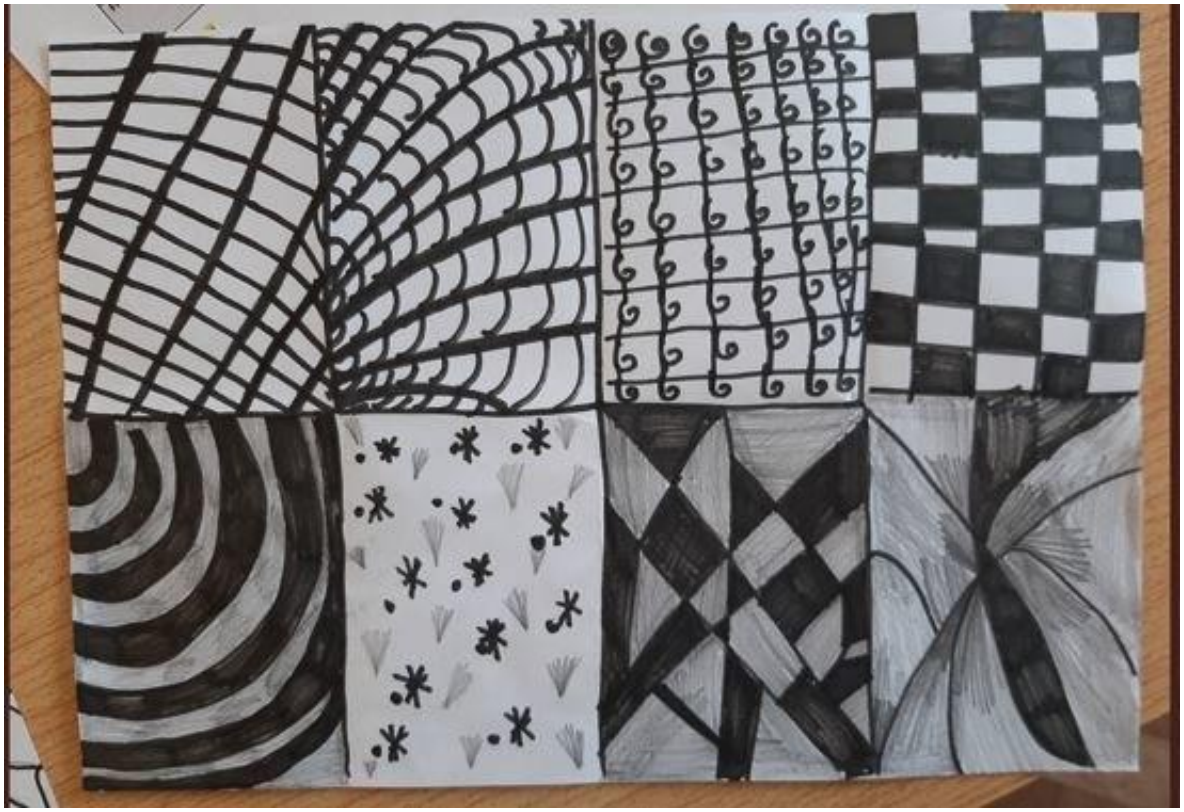

3 Carefully cut out the rainbow and stick onto a sheet of blue card using glue.

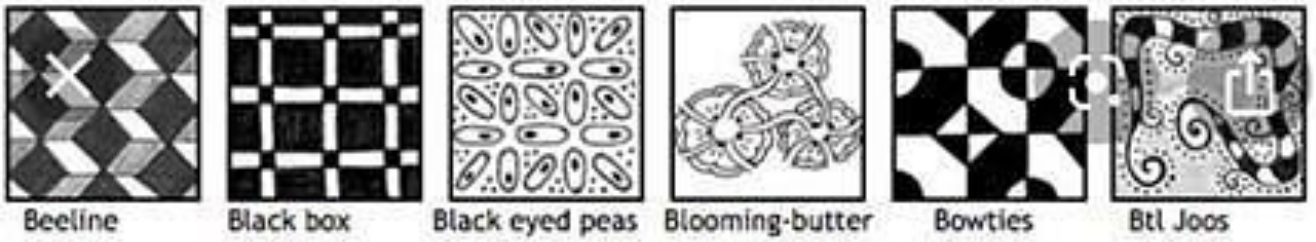

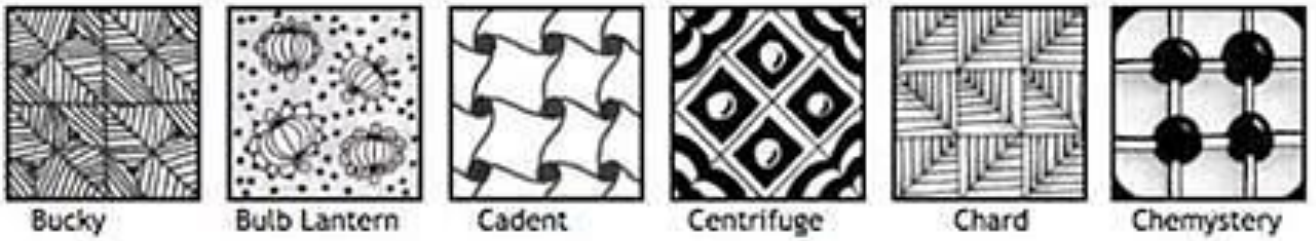

4 Finally, add cotton wool to each end of the rainbow using glue, then leave to dry.

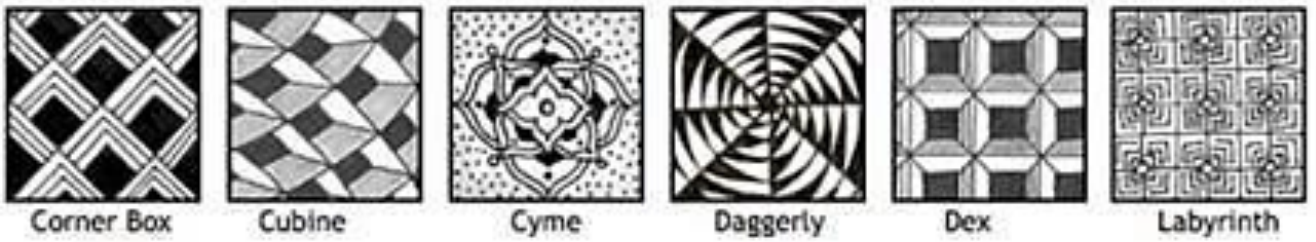

Create your own zentangle art using a piece of paper cut up into squares or rectangles and a black pen. Try some of the techniques on the next page.
